# Electronic Data Interchange Survey

Dear Lender or Lending Servicer,

State Farm Insurance can send their notices electronically using the X12 national standard. This format has been accepted throughout the insurance and mortgage industries and is endorsed by the Mortgage Bankers Association. In order to receive our electronic hazard renewal in the X12 format, please fill in the appropriate information below and email to:

**home.sys-lenderedi.299h00@statefarm.com**
