

Hertz

Hertz One

Your one-stop shop for easy replacement rental management.

Whether you own one body shop – or hundreds – Hertz One makes even the most demanding rental management and reporting a breeze. Our comprehensive system helps streamline reporting, giving you the chance to review open, closed and upcoming rentals real-time.

Easily access on-demand, customized data tailored to you, including:

- Repair statuses
- Comparative rental metrics across the industry
- Cycle time averages

Plus, Hertz One helps you communicate directly with us for quicker assistance.

Need access? Questions? We can help! Contact us at HertzOne@hertz.com
